

LEHS Roleplaying Games (RPG) Club

The LEHS Roleplaying Club is for students who enjoy or are interested in roleplaying games (RPGs), including tabletop games (such as Dungeons & Dragons), and live-action roleplaying games (LARPs).

The purpose of the LEHS RPG Club is to create and foster an environment that:

- Is safe, both physically and socially/emotionally.
- Provides members with opportunities to play and run roleplaying games of various types.
- Fosters creativity and ingenuity.
- Is inclusive and supportive of all who participate.

The club started in the spring of 2021. Meetings are on Fridays starting at 2:30pm in LEHS room 304 (Mr. Bigler's room).
